NOTE FOR:

Deputy Director for Intelligence

Deputy Director for Operations

FROM:

Executive Assistant to the DDCI

At a recent (18 May) 8:00 a.m. DD session, the DDCI asked you both to tap one person each plus someone from the IG's shop to begin thinking about how we should handle (DDI) comments at this week's staff meeting about interest in the same subject, the DDCI wonders where our low-key effort to think about this stands? cc: Inspector General CONFIDENTIAL
